Dear friends of the Victory Cook-Off,

The Table Salt Foundation is proud to present the Second Annual Victory Cook-Off at Cajun Harley-Davidson on October 19, 2024. This event directly impacts and improves the lives of Veterans, their families, and other vulnerable groups right here at home. As a non-profit, we provide funding for mental health services and resources to those in need in our community. **Funds from last year** provided Veterans and other vulnerable groups with the help that they need to receive professional counseling and attend Growth Challenge Intensives through The Kitchen Table Counseling at no charge. They paid the price for us and we want to pay the price for them.

“Serving on the Table Salt Foundation team and hosting the Victory Cook -ff has been so rewarding. This event has allowed local veterans to come face-to-face with people in our community who aim to honor and serve them in return for the sacrifices they have made for us. Nothing says love like cooking for your neighbor and we know that the best stories are told around a giant pot of food. This cook off is the most delicious way to love on our local veterans!” - Crystal Ross, board member

Join us for lots of great food, music, silent auction, and more at this event from 10am-2pm.

We are currently looking for corporate sponsors and cooking teams to help make this an amazing event. **Why sponsor?** In addition to supporting a great cause, it's **exposure for your business**. We promote this event on local TV, radio, online news channels, social media, and in print through the region.

Please take time to read over the following pages. Can we count on you and your organization to be a supporter of this community-oriented event? Please call our office at (337)889-0221 today.

Thank you so much for your time and consideration!
